

Ravi

We are so grateful for your presence here this summer. **Thank you** for sharing your talents and time with us.

We want to share our **gratitude**.

Ravi,
keep being curious. Thank you for your questions and thoughts on accessibility as we navigate what it looks like for Allied

-Stephanie

Ravi - Thanks for all the hard work on CenterPoint and Akuvo. I'm excited to see you push your design skills further. Awesome job and keep it up.

-Tony

Hey Ravi! I've really appreciated your hard work on the Akuvo research. You have a talent for quickly learning complex subject matter and then putting that knowledge into practice with design. Keep up the great work! -

Jared

Ravi- You have been such a joy and pleasure to interact with over the summer. I am super excited to see your growth and to learn more about your various interests, and possibly collaborate if you have any interest for the engineer stuff. -Eunice

Ravi, Thank you for your invaluable contributions during our collaboration on bond. Your insights played a crucial role in enhancing the overall user experience and streamlining the process for compromised notifications. It's been a pleasure working with someone as talented and dedicated as you, and I greatly appreciate all of your hard work. Thank you for making this project a success. I wish you the best with your academic year and can't wait to see your growth in the UX world!

-Harpreet

Ravi, Thank you for your invaluable contributions during Ravi, I didn't get the chance to work directly with you but I have heard nothing but wonderful things about your contributions to our team. Your passion is apparent and I am excited for what is to come!

- Sarah

Ravi, even though I wasn't working directly with you at first, I could see your curiosity and problem solving at work! You ask great questions and I could always see the wheels turning and see that you were making all the right connections. Keep that up and I'm sure you'll be successful in any UX role!

- Lisa

Ravi,
You continue to impress me everyday with your dedication, talent, and appreciation for learning (and solving) problems. You've taken on incredibly complicated challenges and excelled with ease and grace. Your work is impacting strategy and modernization efforts within Allied, THAT is huge. Celebrate that. Thanks for allowing me to be a part of your journey. I can't wait to see the rest of it unfold!! Congrats on all of your amazing accomplishments!!

-Melissa

Ravi even though I did not work directly with you this summer, talking with you was always great! The work you have done has only had great feedback and I am excited that you will continue working with us for the rest of the school year!

Christian

Ravi, keep your enthusiasm keep your desire to do good, to do more. continue perfecting your talent. these are things that already help you stand out. im excited to see your growth and be a small part of your journey.

-Leo

Ravi - Congrats on completing your internship this summer! We appreciate all the hard work you've put into Bond and the other various projects you've been working on. Keep on keepin' on! Happy to have you around throughout the year!

- Ben

Ravi, I'm excited for your future here at Allied. I hear that you've been contributing to some amazing work with Akuvo (which is pretty complicated so that's a huge deal!). Wishing you luck in all of your academic endeavors. You're going to be awesome ^-^
